WS 3 DIFFERENT FITS AND SIZES FOR TARGET MARKETS – HOW TO SET COMPANY-WIDE STANDARDS?

Creation of target customer profiles for differing corporations and product groups

Decision-making criteria for differentiation between markets all over the world

Defining measures to ensure garment fit with in-house models and suppliers

*Anke Rissiek, Manager Sizing & Fitting
Human Solutions GmbH*

WS 4 STRATEGIC PRODUCER INTEGRATION – WHAT ARE THE FUTURE REQUIREMENTS FOR PRODUCTION PLANTS?

Social Compliance Audit

Workforce availability

Development of volumes and prices

*Thomas Hundsrucker, Head of Technical Engineering
Clothing Woman Hugo Boss AG*

WS 5 3D PRODUCT DESIGN AS PART OF A DIGITAL SUPPLY CHAIN

Product simulation for improved decision-making in the creative process

Fewer samples thanks to 3D visualisation

Digital product data within the supply chain from design to the Point of Sale

*Roland Schuler, Director Technical Product Management
International Brands Company KG, a subsidiary company
of Peek & Cloppenburg KG Düsseldorf*

WS 6 “INDUSTRY 4.0” IN THE GARMENT INDUSTRY

“Industry 4.0” versus garments

Two approaches on how to implement “Industry 4.0”

“Industry 4.0” – a project or a business model

*Josef Klein, Head of Technical Center
Hugo Boss AG*

www.marcgassert.de

BE A SPONSOR

Being a sponsor provides you with a highly attractive, value-for-money way of addressing customers:

- Open Doors: Present your company (2 x 75 mins).
- A “market stand” for networking in the hotel lobby. Present your company, your products and services throughout the duration of the event.
- Free participation for one person from your company.

Are you interested in sponsoring the QGND?
